BEAUMES DE VENISE
LE TERROIR AUX DEUX VISAGES

EMILIE, AOC Muscat de Beaumes-de-Venise, VDN Red, 2025

AOC Muscat de Beaumes-de-Venise, Vallée du Rhône, France

A true delight !

PRESENTATION

A cherished indulgence of our great-grandmother Emilie, we chose to preserve a few vines to bring this unique and exceptionally rare wine back to life.
The red version of the famous Muscat de Beaumes-de-Venise, this natural sweet wine is made exclusively from the rare Muscat Petit Grain Rouge grape variety.

THE VINTAGE

The summer was marked by significant heat waves and a prolonged drought. This accelerated the ripening of the grapes. The berries were often smaller in size, a consequence of the heat and water stress, which led to higher concentration and reduced yield at pressing.
Summary:
– Very strong reduction in yields, with small, low-juice, and light berries.
– Heterogeneous ripening, with rapid sugar development and loss of acidity.
– Very early start of the harvest.

REVIEWS AND AWARDS

90/100
"right robe with intense reflections. An original nose, showing an atypical profile for a red Muscat. The palate is full and flavorful, with lovely richness and well-balanced structure. A gourmet, lingering finish. A distinctive dessert wine, perfect with pastries or fruit."
